ABOUT US

CountrySide Kenora, which sold metal roofing and vinyl siding, was purchased in 2016 by Verlin Penner. In 2020 we expanded to cover the entire lumber and building materials industry. We stock lumber, treated deck materials, windows, entry doors, and aluminum railing. Bring your building project to us for hundreds of options and thousands of colors. We specialize in Exterior Siding, Metal Roofing, Decks, Garages, and Windows.

We are passionate about providing a wide variety of quality products, installation education, and helpful, attentive service throughout your entire project experience!
